TOWN WARRANT

To the Inhabitants of the Town of Allenstown in the
County of Merrimack in said State, qualified to vote
in Town Affairs:

[L. S.]

You are hereby notified to meet at the Fire Station in
said Allenstown on Tuesday, the 13th day of March, next
at nine of the clock in the forenoon, to act upon the follow-
ing subjects:

1. To choose all necessary Town Officers for the year
ensuing.

2. To raise such sums of money as may be necessary
to defray town charges for the ensuing year and make ap-
propriations of the same.

3. To hear and act upon the report of the Town Bud-
get Committee.

4. To see if the Town will authorize the Selectmen to
borrow money in anticipation of taxes.

5. To see if the Town will vote to give a two percent
discount on all 1945 taxes paid on or before July 1, 1945.

6. (By Petition) To see if the Town will vote to
raise and appropriate the sum of Fifteen Hundred
(\$1,500.00) Dollars to install a sewer on South Main Street
from Granite Street to the residence of Glenn O. Mc-
Namara, or as far as said appropriation will go.

7. (By Petition) To see if the Town will vote to
raise and appropriate the sum of Five Hundred (\$500.00)
Dollars to build a side-walk on the East side of Turnpike
Street from the foot of Bartlett Street to River road.

8. (By Petition) To see if the Town will vote to
raise and appropriate the sum of One Thousand (\$1,000.00)
Dollars to build a cement side-walk on the west side of
Main Street, from Canel Street to Webster Street.

9. (By Petition) To see if the Town will vote to install and maintain a street light on the corner of Turnpike and Granite Streets and raise and appropriate money for same.

10. (By Petition) To see if the Town will vote to install and maintain a Street light on Letendre Avenue between the Suncook Valley Railroad and the residence of Louis Savaria, and to make said street in condition to travel right through from School Street to Granite Street, and raise and appropriate money for same.

11. To hear the reports of auditors, agents, committees or officers heretofore chosen and to pass any vote relating thereto.

12. To transact any other business that may be legally come before said meeting.

Given under our hands and seal, this 14th day of February, in the year of our Lord nineteen hundred forty five.

FOREST FIRE WARDEN'S REPORT

To Selectmen:

Many wardens have asked to have something prepared on forest fire work for publication in the Annual Town Report. Because time may be short the following is sent directly to the Selectmen. Will you kindly include it in your report?

Thomas J. King, *District Chief*

Help the Warf Effort by Preventing Forest Fires

NO ONE is exempt from helping to win the war! EVERYONE, regardless of age, has his or her place in the overall effort! Some men, because of age are called upon to bear arms; man ships, submarines and planes; minister to the injured and maintain morale. Women, in larger numbers, are serving with the armed forces as nurses and members of the several women's military organizations—WACS, WAVES, SPARS, etc. War industry has taken millions of men and women whose accomplishments have been the marvel of the world. Civilians at home are doubling up on their activities because of the shortage in manpower, purchasing bonds, assisting in numerous patriotic undertakings, maintaining home morale and, on the whole, carrying on with cheerfulness and determination that is typically American. Yet, despite the time, thought and effort we are all putting into the war effort in general, we are, true to our peculiar American characteristics, heedless and careless about many important things and one of the is FIRE as it relates to our forests.

Much harm can be done the war effort because of our carelessness with fire. Lumber has gone to war in a BIG WAY! Our New Hampshire forests are contributing their full share insofar as manpower permits. Fire, the greatest

enemy of the forests, destroys, during each of these critical years, hundreds of acres of valuable trees that could contribute to the war effort. Forest fires disrupt the war's business by taking men from their important work in industry and on the farm and reduces production of necessary war materials and food. Forest fires require the spending of much money and material that might otherwise be diverted into vital war channels. Forest fires are, for the most part, unnecessary and avoidable for ninety-eight percent of such fires are, annually, the result of human carelessness — yours and mine. This can and should be remedied—NOW! YOU can HELP THE WAR EFFORT by PREVENTING FOREST FIRES! The rules of the game are simple.

1. *Always* be careful with fire in or near woodlands.
2. Comply with regulations governing the use or starting of fires there.

Remember

- a. You need written permission from your local forest fire warden for debris burning fires when the ground is not covered with snow.
- b. Be sure your match, cigar, cigarette and pipe ashes are OUT before dropping them.
3. Be fire-minded NOW as never before; be careful; caution others to be careful; be cooperative and thus help your warden, your town, your nation and yourself!

Help the War Effort by Preventing Forest Fires

The 1944 fire record for our town is:

Number of fires	1
Acreage burned	2½
Number of permits issued	12

REPORT OR SUPERINTENDENT OF SCHOOLS

To the School Board of Allentown:

My eleventh annual report includes one change in your corp of teachers.

Mrs. Edith Tuttle of Concord replaced in September Mrs. Helen E. King, formerly teacher in the primary grades. Mrs. Tuttle completed two summer sessions in Normal School, and has had three years experience in large rural schools. She has loyally returned to the profession as an "emergency" teacher. Indeed, one teacher in every ten schools in our country is so classified today.

You are fortunate in the retention of your principal, Miss Patsourakos, and your music supervisor, Mrs. Gale.

The report of the Enumeration Officer, submitted in September, shows:

No. boys (5-16 yrs.) 143; No. Girls (5-16) 127	Total 270
Of this number the following are not in school:	
Below required attendance age (5-8)	10
Physical disability (8-14)	0
Completed elementary grades (14-16)	3
	13
No. (5-16) in public schools	38
No. (5-16) in local private school	390
No. (5-16) in elementary schools outside of Allentown	5
No. (5-16) in Academy and high school outside of Allentown	14
Total (5-16) accounted for in schools	447
No. (5-16) living in other towns but attending school in Allentown	190
Whole number of RESIDENT children (5-16) in schools	257

In December standardized achievement tests were given to all children in grades three, four, and five. Following are the average scores attained in terms of the Grade and month:

	Grade: III	IV	V
Standard Score Anticipated:	3-3	4-3	5-3
Reading and Vocabulary	3-0	3-8	5-7
Arithmetic Fundamentals	3-2	3-8	4-7
Arithmetic Problems	3-0	3-2	5-2
English		3-4	5-8
Literature			4-9
History			5-4
Geography			5-2
Spelling	2-1	2-7	5-2
General Average	2-8	3-5	5-3

The very low average in grades three and four are matters of serious concern. The fourth grade average is more than half a year below the standard group. Since September, Mrs. Tuttle has given special attention to those children who show exceptional retardation in reading skill and number comprehension. In some cases progress has been retarded by irregular attendance. The loss of one day each week is more destructive to normal progress than continuous absence for a month.

The annual report of your school nurse for the year ending in June shows:

	Public School	Private School
No. pupils examined	44	391
No. pupils vaccinated	43	386
No. unsuccessfully vaccinated three times	1	5
No. cases communicable disease:		
Measles	0	21
Whooping Cough	0	1
Pediculosis	6	44
Skin Disease	2	7

Report of Special Work by Nurse:

- 6 children examined by Dr. Kerr at T. B. Clinic in Pembroke.
- 115 children given "Patch Test" under Dr. Kerr at St. John Baptist School.
- 5 children X-Rayed under Dr. Kerr in Concord.
- 1 child X-Rayed under Dr. Kerr in Concord.
- 3 children given orthopedic examination in Manchester.
- 2 children given mental examination by Dr. Stone in Manchester.
- 3 children given eye tests by Dr. Provost in Manchester.

Due to the death of Mrs. Bessie Morency, the opening of the school lunch service was delayed until late in January. Mrs. Morency's interest in the health and happiness of the children resulted in a nutrition program of practical value to your community.

Hot lunches are now being prepared at school by one of the parents, Mrs. Dorothy Poisson.

The lack of available lunchroom workers has necessitated the discontinuance of the lunches in two neighboring schools. You are to be commended for the continuance of this service in Allenstown.

Your teachers and pupils have been active contributors to the war effort. In addition to the purchase of war stamps and bonds, six bushels of dried milkweed floss were collected and delivered to the government for making life jackets for our armed forces. The total school contribution from this Union was 162 bushels. Proceeds from the sale were divided among the pupils, who contributed, or were deposited with the club fund of the school.

In the salvage drive for waste paper, recently conducted by the schools, Allenstown more than doubled its quota by the collection of 4110 pounds. Proceeds from the sale of paper, amounting to \$30.83 have been deposited in the local bank. This with other funds will be applied towards the purchase of a new 16 m.m. sound-on-film projector.

PATHS TO BETTER SCHOOLS, issued this month by the National Education Association of Washington,

D. C., says we believe, "Increased use of audio-visual aids, which should come rapidly as materials and personnel are released after the war, will increase greatly the thoroness and extensiveness of learning."

The Contract of last year for instruction in manual training, domestic science, and physical education has been continued with the Pembroke Grammar School. The practical arts courses are given regularly to the pupils of Grades Seven and Eight.

The growing scarcity of teachers and the corresponding increase in the cost of maintaining small elementary schools present a serious financial, as well as an educational, problem throughout our country. Last year the average cost per pupil in the public elementary schools of New Hampshire was \$95.95. The average cost in Allenstown was more than \$125.00 per pupil. In this specific situation, if Allenstown had paid both tuition and transportation to a nearby school, the actual saving in cost of elementary education would have been \$2,480.62.

For both financial and educational reasons, your Superintendent recommends that at the annual district meeting the voters be given opportunity to empower their school board to enter into contract with a neighboring district for elementary school privileges for all public school children in Allenstown.

Present and postwar problems are destined to bring forth changes in the organization of our schools; to focus emphasis on new areas of learning; and to intensify the ideal of the "equal chance". To this end the schools value and solicit the intelligent cooperation of every home and the genuine interest of all citizens.

Respectfully submitted,

GEORGE H. HARMON
Superintendent of Schools
